To-DAY at the Magistracy; Mr H. K. Wodehouse convicted twenty-six men who were found gambling in a house at 4 Nullah Lane by Inspector Baker fast night.

Small fines were imposed. THE London Lyria Company repeated their excellent performance of . The Magistrate, last night to a large audience who derived a great deal of amusement from the entertainment. The brief variety programme which followed the comedy met with the most emphatic demonstrations of approval. This evening the company will appear in The Pickpocket.

Ar the Magistracy this morning, before Captain Heatings, Joseph H Donenberg, hotel-keeper, and Edward Levy (of Jeru-SELTZER WATER salem), confee-house keeper, were charged with fighting with each other and creating a disturbance in Queen's Hoad Central on March 2. Mr E. Robinson appeared for Donenberg and Mr C. D. Wilkinson for Lovy. Both men were convicted, and were each fined 50 cents, with the alternative of three days in prison. They were also bound over to be of good behaviour for three months under a penalty of \$25 or imprisonment for other fourteen days.

A MEETING of the Hongkong Odd Volumen. was held at the Hongkong Hotel yesterday afternoon. .. A discussion took place on the question ' What does Hongkong want?' Mr J. J. Francis was called to the chair and in opening the debate said that what Hong- Appended are the scores :kong wants most is public spirit. The disoutsion was adjourned for a week. As no invitation was sent to the press, it was assumed the ordinary meetings of the 'Odd Volumes' would be conducted in private, and it was on this assumption that our reporter was absent from last night's discussion. A garbled report of the meeting, however, appears in the Daily Press this morning containing some extraordinary statements which led to our representative calling upon Dr Cantile, to find out if he had been correctly reported in our morning contemporary. The statement which will probably lead to most comment refers to the educational needs of the Colony: 'He (Dr Cantlie) spoke strongly on the inadequancy of every Institution in the colony to meet these necessities, and declared the education of the Chinese at Victoria College to be little more than a the above teams the Police were victor. sham, and the education of European boys lous by 25 runs. practicity impossible. It cures Coughs, Colds, Asthma, Bronchitis, Piles, Liver Complaints within a short period, and rapidly, cuts short all attacks of Epilepsy, Spasms, Colic, Palpitation, Hysteria, and it keeps the blood free from all diseases by putting it only on the finger of the left hand. I can strongly state as a means of precerving and restoring health it is unequalled, as it has been used by several European Ladies and Gontlemen with great success, for which I hold several unsolicited testimonials. It is the most wonderful discovery of the day. I have no hesitation in
